BAGONG PILIPINAS

**MEMORANDUM**

**TO :** ALL PENR AND CENR OFFICERS  
ALL REGIONAL OFFICE-DIVISION CHIEFS  
THE REGIONAL NGP COORDINATOR

**FROM :** THE OIC, REGIONAL EXECUTIVE DIRECTOR

**SUBJECT :** IDENTIFICATION OF NON-SPMS INDICATORS FOR OPCR  
RECALIBRATION

**DATE :** MAY 30 2025

In line with the ongoing recalibration of the DENR Caraga Office Performance Commitment and Review (OPCR) success indicators, the Office shall distinguish and categorize target indicators as either fixed, demand-driven, or for exclusion from the commitment.

In this regard, you are hereby instructed to review and identify non-SPMS indicators, in accordance with the following criteria:

| Type of Indicator           | Definition                                                                                                                                                                              |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Fixed Indicators            | Targets with accomplishments that are not exceedable in nature.<br><br>To be rated "5" in Quantity automatically. Efficiency and Timeliness rating will be based on the submitted MOVs. |
| Demand Driven Indicators    | Targets with accomplishments that are not fixed or due to demand of clients only.<br><br>To be rated by Efficiency and Timeliness only based on the submitted MOVs.                     |
| Exclusion in the commitment | Excluded in the commitment and "NO" rating regardless of accomplishments                                                                                                                |

You may submit your identified indicators thru this google sheet link for ease of consolidation and review: <https://tinyurl.com/NonSPMSIndicatorsforRecalib>. Further, please ensure that the indicators are categorized according to their respective nature (e.g. conservation and development, enforcement, licenses/permitting, admin, or finance), as specified in the given google sheet link. You may input your submission not later than 20 June 2025.

Please be further advised that PENRO and CENRO Planning Officers shall coordinate closely with the divisions/sections/units within your respective offices to ensure that all identified indicators along with their corresponding justifications are thoroughly discussed, validated, and properly communicated at your level.

4

In addition, all concerned Regional Office Divisions are instructed to review the submitted indicators from the PENROs and to present their evaluation, along with corresponding recommendations, to the Regional Performance Management Team (RPMT) for deliberation and possible resolution.

Each Division shall present their final recommendations in accordance with the prescribed timeline provided.

| OFFICE               | SCHEDULE (DATE & TIME)         | Duration |
|----------------------|--------------------------------|----------|
| Enforcement Division | June 23, 2025 (1:00-2:00 PM)   | 1hr      |
